Summative Information

Washington State has 50,219 P-12 certificated teachers, 1,935 principals, and 5,433 other school leaders (superintendents, central office etc.)

Women under the age of forty: 35.82% are teachers, 9.8% administrators/leaders

Although some of these educators are members of DKG, there is ample opportunity in every area of our state to increase the membership of women in chapters.

Depending on the goals of the chapter to diversify, there is ample number of educators at all grade spans to increase their membership.

There is ample room for chapters to embrace women of diversity of all ages at the local level.
